We, the Memories Staff

of 1961, Present to

You a Book of . .

Memories

We, the graduating class of 1961, wish to dedicate our 1961 Memories to Mr. Thompson. He has been our sponsor for three years, but has been more closely associated with the activities of our senior year. Without his leadership and backing, our 1961 Memories would not have been possible. We have tried not to lean on him too much, but just to know that he was behind us was enough to make our Memories a success.

Senior Farewell

As we come to the last page of our 1961 Memories, we also come to the last page of our high school days. We will never forget these days, for they have played a very important past in our lives. Although reliving these happy days is an impossibility, we will have our Memories to keep the experiences and friends we have shared fresh in our minds for many years to come.

As we prepare to leave our high school days behind us, and make ourselves ready to enter our future careers, whatever they may be, we would like to give our thanks to all at L.C.H.S. who have helped make this experience a happy one.

We hope you will enjoy looking at our Memories as much as we enjoy sharing them with you. We feel that it will bring as many pleasant memories to you as it will to us.

And now we too must say farewell to you at L.C.H.S. who have known us and worked with us, but not to the memories that we will recall through the years.
